

# 2010 Frankie Foundation Golf Classic Sponsorship Packages

**Saturday, June 26, 2010 -1:00 p.m.  
Palm Aire Country Club - Pompano Beach, FL**

## About The Frankie Foundation

The Frank Speciale Charitable Foundation, Inc. (Frankie Foundation), a 501(c)3 non-profit organization, was established in 2008 to purchase and place life-saving AED units in South Florida parks and recreation facilities and establish student scholarships at Pompano Beach High School.

The Foundation was created in honor of Frank Speciale, a 1982 graduate of Pompano Beach High School who dedicated his life to his family and friends. Frankie was also a long-time youth sports coach who cared deeply about providing a wholesome athletic experience for all children. Frankie died in 2007 after suffering a sudden heart attack while playing a sport that he loved – soccer. While Frankie is dearly missed, his legacy of commitment, community service and friendship are carried on by the Frankie Foundation.

To date, the Frankie Foundation has purchased and donated nine (9) AED Units and established a new scholarship in the name of Frank Speciale at Pompano Beach High School awarding several scholarships in the past two years.
